Why Thule?

SAFETY.

Thule designs products to meet or exceed international safety standards and our own rigorous internal testing ensures our products can handle the toughest conditions. When choosing Thule, have peace of mind knowing that we have made safety our number one priority.

5 Activities. 4 Seasons. 1 Carrier.

Thule's multisport trailers are one of the highest performing and most versatile products on the market allowing you to enjoy multiple activities year round.

Thule has more than 20 years' experience with child carry solutions, originating with our Thule Chariot family of multisport trailers.

➤ Child Carrier Backpacks

Thule Sapling Elite Feature Highlights

Load stabilizer straps allow on-the-go adjustments to the backpack's center of gravity by pulling the child closer to the parent for a more comfortable carry

Deployable sunshade keeps your child cool and protected from the harsh sun

Mesh pockets, hydration reservoir sleeve and two large zippered compartments store clothes, water, diapers, rain gear, and other essentials

Fully adjustable back panel and hipbelt provide a perfect fit and comfortable carry and make the transition between parents quick and easy

Plush, height adjustable, ergonomic seat efficiently distributes the child's weight by providing inner thigh support

Keep essentials close at hand with two roomy zippered hipbelt pockets that store toys, snacks and gadgets

Child Carrier Backpacks **Product Overview**

Thule's Sapling child carrier safely and comfortably carries your precious cargo while on the trail and effortlessly transitions between parents with simple torso and hipbelt adjustments.

› Rooftop Cargo Carriers

Thule Hyper Feature Highlights

Patented rear-angled base and expanded vehicle mounting points help maximize trunk and hatch clearance

Reinforced lid and base improve opening and closing and provide an exceptionally quiet ride

Patented AeroNose design reduces drag and improves fuel economy

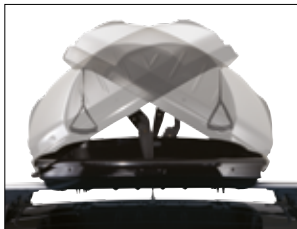

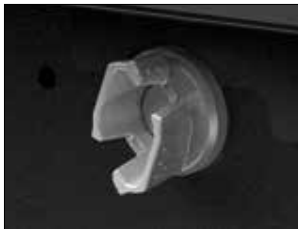

Pre-installed AcuTight mounting system clicks when you reach optimal hold to ensure your box is mounted securely and properly before driving

Oversized SecureLock is easy to grasp, even with gloves on, and ensures the box is closed securely and properly prior to driving

Dual-side opening and external lift handles for easy access

Integrated box light automatically turns on when box is opened and off when box is closed

Thule Rooftop Cargo Carriers **Product Overview**

Need of the extra space in your vehicle? Our wide range of rooftop cargo carriers help the active family get where they need to go with all the gear they need.
